

# WOODLAND CEMETERY DECORATION DAY 2007

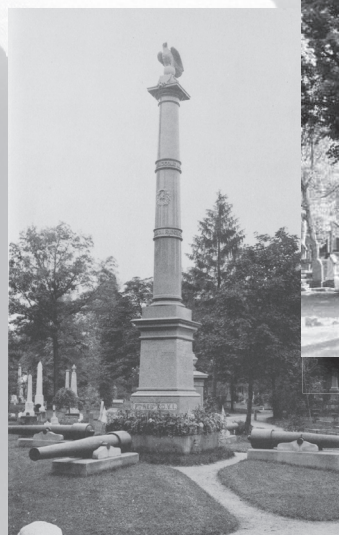

## MEMORIAL SUNDAY, MAY 27th

On this day at 9 a.m. an old GAR custom will be preserved of laying flags and poppies on veteran graves after church services. To honor this practice a small non-denominational religious service will be performed this morning by Reverend Timothy Leslie, a Navy veteran and co-tour director of the Soldiers' & Sailors' Monument. Join us to honor this tradition.

## DECORATION DAY MONDAY, MAY 28th

Services will be held at 10:00 am. in conjunction with the Soldiers' & Sailors' Monument which will be closed at this time due to renovation. A rededication will take place at the monuments of Col. William R. Creighton and Lt. Col. Orrin Crane who died at the Battle of Ringgold on November 27, 1863. The eagles that once perched atop their monuments will be restored.

## SPRING CLEAN-UP

Take this opportunity to spruce up the graves of your loved ones, or adopt someone who's resting place has been forgotten. Be a good neighbor and bring your family and friends to help bring back this wonderful place for the community to enjoy and to honor our ancestors.
